

Make your key employees' health a priority

Your employees' health and well-being plays an essential role in keeping your business running smoothly.

That's why we've partnered with Medcan to offer preferred rates on Annual Health Assessments for your key employees. With state of the art facilities and a team of over 65 physicians and specialists, Medcan is an industry leader and Canada's largest professional healthcare clinic focused on preventive medicine and wellness.

Comprehensive and convenient

Far more than your typical yearly check-up, an Annual Health Assessment with Medcan will provide your employees with a detailed picture of their current health, and any potential future risks.

Benefits include:

- > 15 diagnostic and screening tests completed in one 5-hour session, with results provided the same day
- > Personal consultation with a Medcan physician that includes discussion of areas of health to improve
- > If required, Medcan will work immediately to arrange appointments with specialists for further attention

With a comprehensive head-to-toe assessment, your employees will have access to valuable insights to proactively manage their health.

Preferred rates offer exclusive savings

As clients of The Co-operators, you and your employees are eligible for a preferred rate that offers substantial savings on a Medcan Annual Health Assessment. The assessment fee is paid by the employee and then reimbursed through your plan on a cost-plus basis. This may provide the additional benefit of an eligible expense under the Medical Expense Tax Credit, we recommend that you consult your Tax Advisor for more information.

Encourage your employees to book their assessment by contacting Medcan directly:
